Dear Ms. Gopie:

We refer to your letter of July 21st to Mr. Ian Cluroe, and are pleased to inform you that the Bank has approved a contribution of up to \$7,500 payable in equal instalments over a three-year period for the Jamaican Canadian Association's Building to Serve Campaign, with the proviso that the total of our contribution will not exceed .25% of the total funds raised in cash and/or pledges towards the \$3 million public campaign objective, or a maximum of \$7,500, whichever is the lesser.

Enclosed is a cheque in the amount of \$2,500 representing the initial instalment. Please arrange to have us furnished with a suitable receipt in due course.

Hereafter, on an annual basis, we will need to be provided with a report on the status of the campaign in order that we may deal with the subsequent payments in accordance with our pledge. Your assistance in having the necessary arrangements set up in this regard would be most appreciated.

Please accept our very best wishes for continuing success with this most important endeavour.

Yours very truly,

R. P. Gerard
